# **ORGANIZATION OF THE OPERATIONAL SUPPORT AIRLIFT COMMAND (OSACOM)**

1. This confirms that on 1 September 1994, the Operational Support Airlift Command (OSACOM) (W36VAA) was activated as a Department of the Army Field Operating Agency under the Army Directorate, National Guard Bureau, by the authority of the Director of the Army Staff and Chief National Guard Bureau, Operational Support Airlift (OSA) Memorandum of Agreement, 18 January 1994. This organization was formed from the fixed wing assets in the Active Army's Operational Support Airlift Command (OSAC) and the Army National Guard fixed wing OSA assets in the 48 continental United States (CONUS) and the District of Columbia. The missions of OSACOM are—

a. Perform Operational Support Airlift for all Active Army, Army National Guard and Army Reserve units within CONUS and support Headquarters, Department of the Army (HQDA), as directed.

b. Provide command and control of all Army CONUS based Service Support Airlift (SSA) fixed wing airplanes in peacetime and wartime.

c. Serve as HQDA's lead agency for prioritization and scheduling of all CONUS based fixed wing OSA missions.

d. Provide HQDA accountability, data collection, and analysis for CONUS based OSA missions in accordance with Executive, DOD, and HQDA policies, regulations, and directives.

e. Plan, program, budget, and manage all OSACOM resources.

f. Provide aviation management, safety management, and standardization for all OSACOM elements (components 1 and 2).

g. Plan and program resources to meet Army OSA mobilization requirements.

2. Headquarters, U.S. Army Operational Support Airlift Command is located at 6970 Britten Dr., Davison AAF, Ft. Belvoir, VA 22060-5133.
